Cups/Toilet Paper: The cups you are using tonight are made from 100% renewable resources. When composted, they will return to dirt within 45 days. The toilet paper is made entirely from reclaimed materials.

instead of cotton or polyester.

Lanyards: The "green" alternative, with Ecospun™, a fiber made from 100% recycled soda and water bottles

environMENTAL Extras Tonight

www.globalinheritance.org

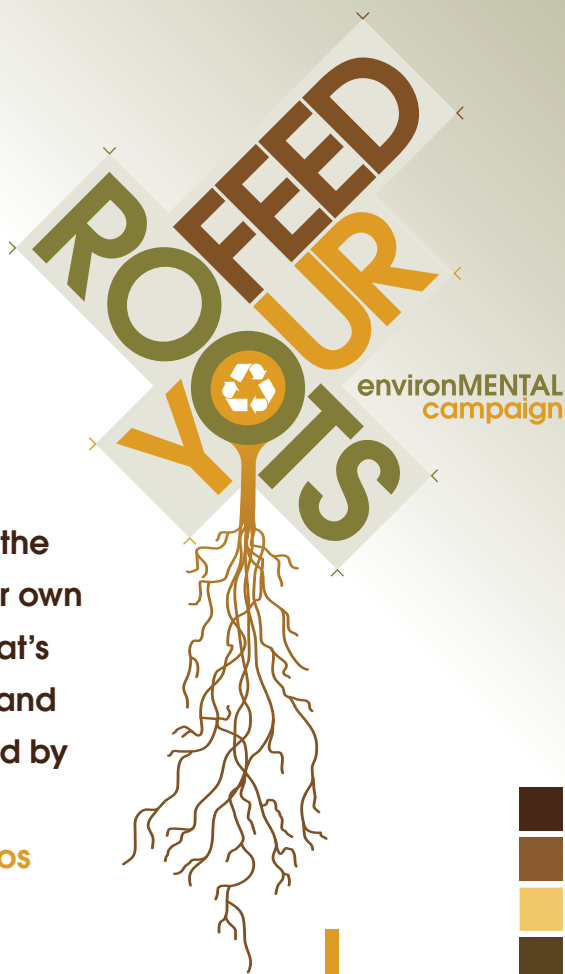

Born in 2002, Global Inheritance is a 501c3 nonprofit organization working to reinvent activism for today's young generation. Our initiatives focus on the power of creativity to communicate and push for progressive social change while rejecting conflict. Global Inheritance targets various subcultures, developing campaigns that cater specifically to each individual demographic. Global Inheritance initiatives include Fashion Peace, TRASHed, Portal Potties, POSTed, Tour Rider, You're the Bomb!, Beat The Press, Public Displays of Affection, Feed Your Roots and Instrumental Assistance.

globalINHERITANCE

Global Inheritance & the ROOTS present **FEED YOUR ROOTS**, a campaign to educate & integrate composting in schools across the USA.

Every school will have the opportunity to win their own **ROOTS compost bin** that's autographed by the band and originally designed by **Ryan Riss, Freddi C, Jeremiah Garcia, Carlos Batts or Erik Siador.**

Schools will be judged on their creativity in designing the school composting program and developing poster art about composting to generate awareness among students. Winning schools will be announced on **May 22, 2007.**
